INNOVATIONS IN HYGIENE
MADE IN GERMANY

INNOVATIONS IN HYGIENE
MADE IN GERMANY

JM-Metzger is a family-owned business run in the second generation. As a medium-sized company we have been offering complete services regarding washroom hygiene for specialist retailers for over 40 years. In doing so JM-Metzger is a symbol of outstanding innovations.

One of our priorities is to listen closely to our customer's suggestions and requests – after all it is our customers who inspire us to rework our range of products time and again and to reach the perfection our dispensers show today. Thus our high standard of quality and the continuous development of our dispensers goes without saying.

If you wish to receive an offer taking into account your particular needs or require any form of information, you can contact us by phone at +49 6298 937700 or via email at info@jm-metzger.de.

Everything for wash rooms: The COSMOS series

The innovative series for washrooms

The innovative COSMOS series with Autocut Hand Towel, Toilet Paper and Soap Dispenser offers various added values out of one hand:

- lockable and secure
- modern, beautifully-shaped yet robust design
- user friendly and elaborate handling
- Exchange, cleansing and installation are easily done with a few simple manual actions
- Spare parts as front covers and cutting mechanisms are easily exchangeable thanks to the innovative click-in system
- Adaptable to customers requirements be it printing, packaging or color
- captive dispensers for exclusive refill materials usage
- suitable for every environment whether for schools, wash rooms, restaurants or hotels

Versatile and unique

Hand Towel Dispenser Autocut

- with push lever for the case of a blockade
- lock at the bottom of the dispenser grants the best accessibility
- lid opens from the bottom to the top and stays ajar, equally the unilateral roll admission guarantees easy refilling
- suitable for hand towel rolls up to 230 m length

Hand Towel Dispenser Sensor

- with length regulator
- Settings: sensor mode or auto mode
- batteries or current mode
- lock at the bottom of the dispenser grants the best accessibility
- lid opens from the bottom to the top and stays ajar, equally the unilateral roll admission guarantees easy refilling
- suitable for hand towel rolls up to 230 m length

Toilet Paper Dispenser

- economical consumption thanks to the brake function and single sheets
- core stays in the dispenser and can only be retrieved after opening
- supplementary rolls are succeeding automatically
- rolls in use are always visible until completely used up
- suitable for toilet paper rolls up to 2 x 140 m
- Automatical push function: Roll is always being pressed against the front of the dispenser and therefore always accessible

Soap Dispenser

- great capacity with a compact footprint at 2.500 dosages out of a 1.000 ml foam soap cartridge
- high yield - up to 4 times less consumption than conventional liquid soap
- hygienical due to new pre-installed pump with each cartridge exchange
- with a push button for opening
- optionally as well available in a lockable version

GENERAL STANDARD TERMS AND CONDITIONS

General standard terms and conditions

Recognition of our general standard terms and conditions
All offers for concluding contracts include our standard terms and conditions. Differing conditions of costumers are only valid if they are acknowledged by us expressly.

Orders and contract conclusion
The client is bound by his order. The order expires if we do not accept it within a delay of 8 working days. The delay starts with access of the order on the following working day.

Prices and payment
All price offers are excl. VAT. If not expressly agreed upon otherwise, the buyer bears all costs and risks of all shipments, therefore ex works. Shipments which are delivered without freight cost or free station/construction site/warehouse are to be insured by the buyer. For loss or damage on the transport way JM-Metzger GmbH can not be held responsible.

Due date
Our invoices are to be paid by proforma. Differing conditions of costumers are only valid if they are acknowledged by us expressly. In case of late payment we also raise the by law enabled fees. Per written letter at least 3 EUR.

Discount schematic
In principle only the current price list is valid. Should JM-Metzger agree on the basis of particular order quantities on special discounts, then they are only valid if they are especially confirmed by JM-Metzger GmbH in written letter. However they can be cancelled at all times.

Delivery time
JM-Metzger GmbH is trying to deliver as fast as possible and to stick to the confirmed delays and delivery dates. Should the delivery be delayed by our fault for more than 2 weeks the buyer has the right to set an extended deadline, which should last however at least 2 weeks. After running out of the extended deadline the buyer has the right to cancel the contract. Compensation of damages because of delay or non-fulfilment can only be raised in case of gross negligence or intention of JM-Metzger GmbH. Delivery and performance delay due to force majeure and of circumstances that JM-Metzger GmbH can not be held responsible for – to which are counted strikes, lockout and official enforcements - JM-Metzger GmbH can not be held responsible for. As delivery day the day is counted on which the shipping of the order has been made by part of JM-Metzger GmbH, otherwise the day on which the buyer receives notice of the Shipment or the readiness for collection. Part deliveries are approved and can be charged separately.

Terms of delivery
Free delivery for order values starting from 1000 EUR (net). A surcharge of 5.00 EUR applies for small orders with an order value (value of goods) below 50.00 EUR.

The following surcharges apply for a different delivery address:
Parcel: 3.00 EUR
Pallet: 5.00 EUR

A surcharge of 7.00 EUR applies for pallets with different types of paper.
Drop shipping with your own delivery note: plus 2.00 EUR.

Extension of delay
Those entitle JM-Metzger GmbH to extend the delivery dates for the corresponding durance of the disablement with a reasonable preparation time of the deliveries or to withdraw partly or completely from the contract. Principal conditions for the observation of the mentioned delivery dates are that the buyer has supplied the required documents for purchasing of goods on time and a possibly agreed part payment has been observed.

Liability for defects
Obvious defects are to be claimed without culpable hesitation within 8 days in written form and with exact description of the defects. In case of reasonable defects we are only liable for the direct damage. Replacement of the claimed goods is made by goods in good condition or the repayment of the purchasing price. Further claims are out of the question. General alterations in construction or design which do not reduce the suitability of the goods, are no defects.

Warranty promise
Claimed goods delivered by us can only be sent to our former supplier.
He will decide independently over necessity or the kind of reconstruction.

Colours and special editions
Parts which were coloured or designed in a special edition for a client can not be taken back in any case.

Printing costs
Some of our dispensers can be printed with a customer-specific logo.
The printing costs are as follows:
One-off costs for the creation of the cliché: 70.00 EUR
Printing costs for 100 dispensers or more: 0.40 EUR / pc

The following prices apply for our COSMOS dispensers:
10-25 dispensers: 2.00 EUR / pc
26-49 dispensers: 1.00 EUR / pc
For 50 dispensers or more: 0.40 EUR / pc

Place of performance and legal venue
Place of performance and legal venue for delivery and payment including cheque and exchange legal complaints and especially for summary proceedings is Heilbronn am Neckar.

Reservation of ownership
The goods maintain to be our property until final payment from all claims of deliveries. This is also to be applied after exploitation by third persons.

Return shipments
The redemption of products delivered by us is only possible with explicit approval by us with return shipments free of charge. Taking back or exchange of special editions or especially ordered goods on request of the client is not possible.
We can only take back equipment/dispensers in original packing.
